Journal of **Comparative Effectiveness Research**

In the article: Ahmed N, Carberry J, Teng V, Carrick D, Berry C. Risk assessment in patients with an acute ST-elevation myocardial infarction. *J. Comp. Eff. Res.* 5(6), 581–593 (2016) (<https://www.futuremedicine.com/doi/10.2217/cer-2016-0017>), the “Financial & competing interests disclosure” was incorrectly shown as:

C Berry has collaborated with Siemens Healthcare, UK, but without financial gain. The authors have no other relevant affiliations or financial involvement with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript apart from those disclosed.

No writing assistance was utilized in the production of this manuscript.

The correct “Financial & competing interests disclosure” is shown below:

C Berry has collaborated with Siemens Healthcare, UK, but without financial gain. This review was supported by a grant from the British Heart Foundation (PG/11/2/28474). The authors have no other relevant affiliations or financial involvement with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript apart from those disclosed.

No writing assistance was utilized in the production of this manuscript.

The editors of the *Journal of Comparative Effectiveness Research* would like to sincerely apologize for any inconvenience caused.
